The Genesis G80 is available with two different multimedia systems.

NAVIGATION

Equipped without central control knob.

DRIVER INFORMATION SYSTEM

Equipped with central control knob.

- 1 Connect a USB cable from your phone to the vehicle's USB slot.

ANDROID AUTO

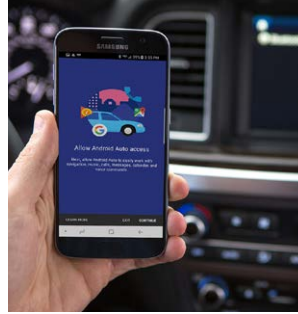

APPLE CARPLAY

- 2 Allow permission from your phone to connect to your vehicle.

ANDROID AUTO

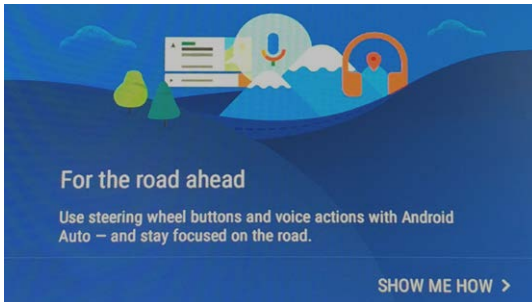

APPLE CARPLAY

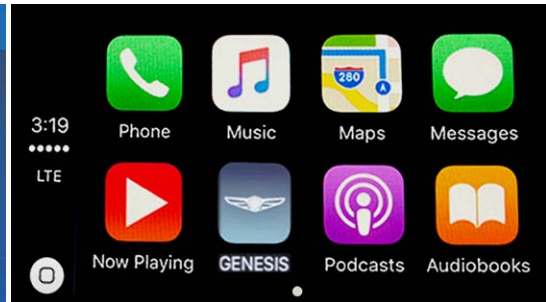

- 3 Enjoy using the applications displayed on your vehicle's multimedia screen.

ANDROID AUTO

APPLE CARPLAY

NOTE

Android Auto users will be prompted to view a tutorial. Select your option and proceed.

SMARTPHONE INTEGRATION

2018 GENESIS G80

ANDROID AUTO & APPLE CARPLAY – DRIVER INFORMATION SYSTEM

1 Make sure the app of your selection is installed on your phone.

Then connect a USB cable from your phone to the vehicle's USB slot.

ANDROID AUTO

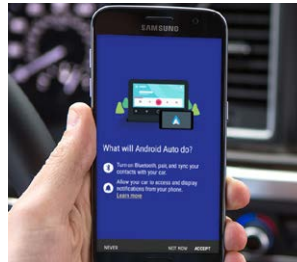

APPLE CARPLAY

2 Allow permission from your phone to connect to your vehicle.

ANDROID AUTO

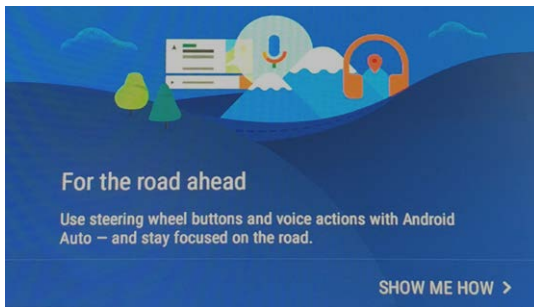

APPLE CARPLAY

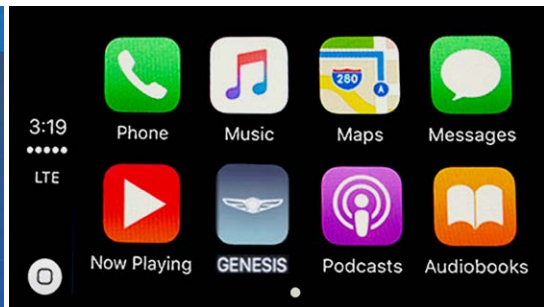

3 Enjoy using the applications displayed on your vehicle's multimedia screen.

ANDROID AUTO

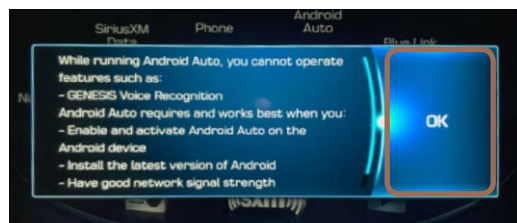

APPLE CARPLAY

NOTE

When connecting an Android device, the following message will appear. Press **OK** to continue.

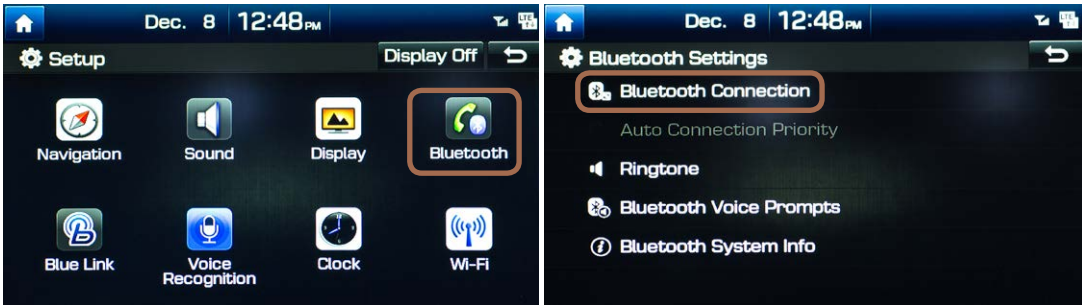

- 1 The vehicle's shifter must be in **PARK**.

Then press the **SETUP** button.

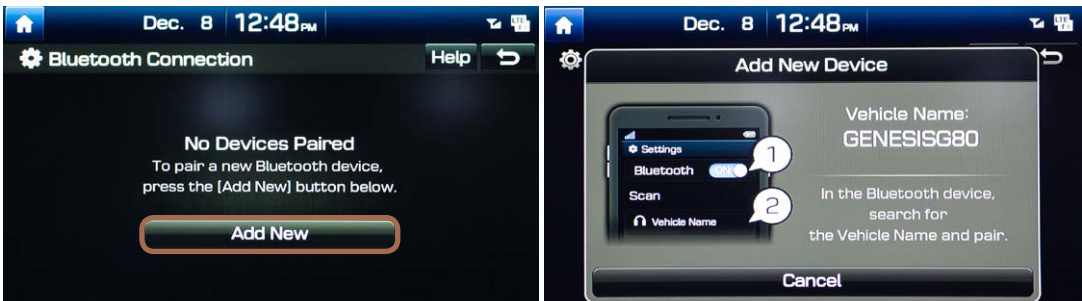

- 2 Press the **BLUETOOTH**® icon on the screen.
Then press **BLUETOOTH CONNECTION**.

- 3 Press **ADD NEW**.

Then turn on your phone's **BLUETOOTH** and select the device (Genesis G80) found by your phone.

NOTE

Bluetooth settings can be found in the SETTINGS app on most smartphones. Refer to your phone's owner's manual or visit GenesisBluetooth.com for more information.

- 4** Your phone may require a **PASSKEY**. If prompted, enter it into your phone.

- 5** The vehicle will confirm that your phone has been successfully connected.

- 6** Contacts download will begin automatically after phone has been paired. The vehicle will confirm that your contacts download is complete.

NOTE

If your phone is supported, then your contact list may be transferred to your vehicle automatically. Depending on the phone make and model:

- Some phones may request approval to download contacts; this process will take a few minutes
- Contact list may start with First or Last Name, depending on phone models

Allow Contacts and Favorites Sync?

Your car may request your contacts, phone favorites, and recent phone calls over Bluetooth. Do you wish to allow this?

Don't Allow

Allow

- 1 The vehicle's shifter must be in **PARK**.

Then press the **HOME** button located next to the central control knob.

- 2 Using the central control knob, scroll to the **SETUP** icon and press down to select.

- 3 Using the central control knob, turn the knob to the right to scroll down to the **PHONE SETTINGS** icon and press down to select.

- 4 Press down on the knob to select **BLUETOOTH CONNECTION**. Then press **ADD NEW DEVICE** by using the central control knob.

NOTE

Bluetooth settings can be found in the SETTINGS app on most smartphones. Refer to your phone's owner's manual or visit GenesisBluetooth.com for more information.

- 5 Turn on your phone's **BLUETOOTH**® and select the device (Genesis G80) found by your phone.

- 6 Your phone may require a **PASSKEY**. If prompted, enter it into your phone.

- 7 The vehicle will confirm that your phone has been successfully connected.

NOTE

- Some phones may request approval to download contacts; this process will take a few minutes
- Contact list may start with First or Last Name, depending on phone models

BEFORE YOU START

Make sure your phone is connected to your vehicle and your phone contacts have been downloaded to the vehicle. If this has not been done, please follow the instructions on the previous pages.

- 1 Press the **PUSH TO TALK** button on the steering wheel.

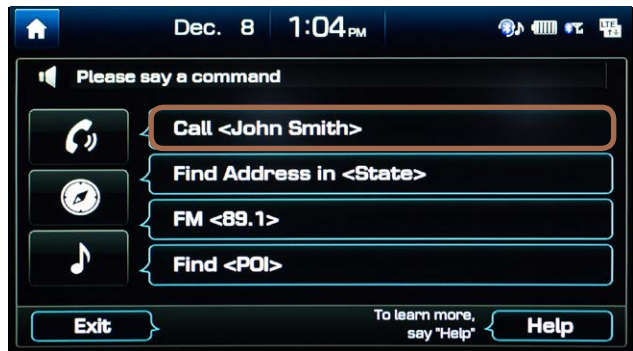

You will hear a beep.

- 2 After the beep, say the command "**CALL**" followed by the name of the desired contact.

Example:

"**CALL JOHN SMITH**"

- 3 Select the number you would like to call by saying

"1," "2," "**WORK,**" or "**HOME.**"

MAKING A CALL

VOICE COMMAND

NAVIGATION

- The selected number will be dialed and your contact's name and phone number will appear on the screen.

- Press **END** on the steering wheel to end the call.

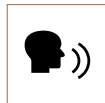

NOTE

If additional help is needed, then please visit GenesisBluetooth.com for more information.

MAKING A CALL

COMMON PHONE VOICE COMMANDS

2018 GENESIS G80
NAVIGATION

To start voice command, press the **PUSH TO TALK** button on the steering wheel.

HELP provides guidance on commands that can be used within the current function.

Here are a few common voice commands to use after the phone has been paired:

Say “**CALL**” to initiate a call followed by saying the name of the saved contact with whom you wish to speak. For example, “**CALL JOHN SMITH.**”

“**DIAL**” makes a call by dialing the spoken numbers. For example: “**DIAL 1-800-633-5151.**”

“**PHONE**” provides guidance on phone-related commands.

“**CALL HISTORY**” displays the phone’s call history screen.

“**CONTACTS**” displays the phone’s contacts screen.

NOTE

Compatibility and performance may vary based on your phone, the phone’s software, and your wireless carrier.
