Smartphone Integration

2019 KONA Electric
Android Auto & Apple CarPlay

- 1 Connect a USB cable from your phone to the vehicle's USB slot.

Android Auto

Apple CarPlay

- 2 Allow permission from your phone to connect to your vehicle.

Android Auto

Apple CarPlay

- 3 Enjoy using the applications displayed on your vehicle's head unit screen.

Android Auto

Apple CarPlay

NOTE

Android Auto users will be prompted to view a tutorial. Select your option and proceed.

Phone Pairing

2019 KONA Electric
Navigation and Display Audio

- 1 The vehicle's shifter must be in **PARK**.

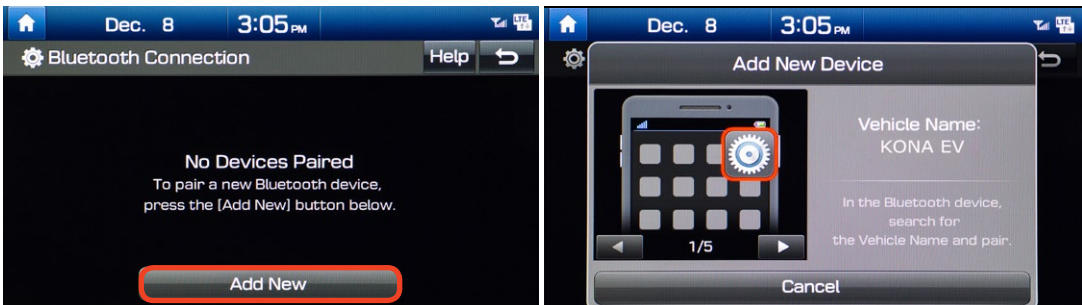

Then press the **SETUP** button.*

- 2 Press the **BLUETOOTH**^{®*} icon on the screen.
Then press **BLUETOOTH CONNECTION**.

- 3 Press **ADD NEW**.
Then turn on your phone's **BLUETOOTH** and select the device (Kona EV) found by your phone.

NOTE

Bluetooth setting can be found in the SETTINGS app on most phones. Refer to your phone's owner's manual or visit HyundaiBluetooth.com for more information.

*Button and/or icon location may differ from the image shown.

Phone Pairing

2019 KONA Electric Navigation and Display Audio

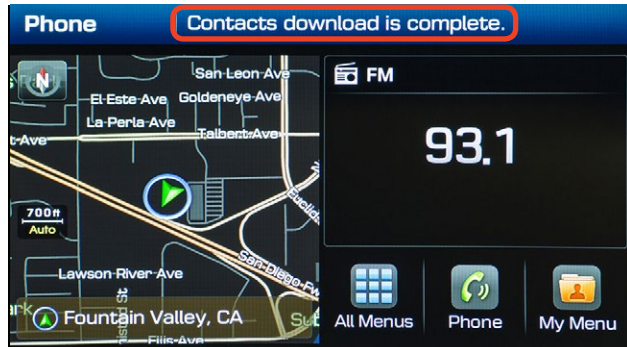

- 4 Your phone may require a **PASSKEY**. If prompted, enter it into your phone.

- 5 The vehicle will confirm that your phone has been successfully connected.

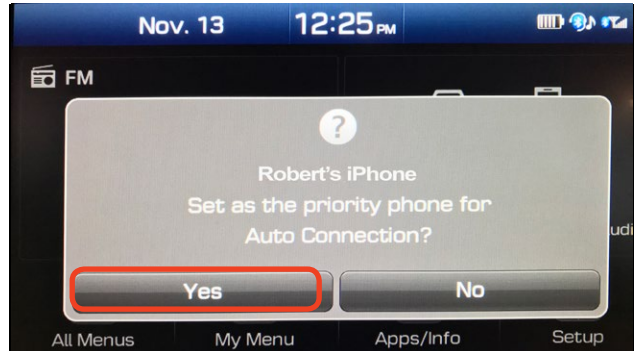

- 6 The vehicle will confirm that your contacts download is complete.

- 7** Select **YES** if you would like to set your phone as the priority device for Auto Connection.

NOTE

If your phone is supported, your contact list may be transferred to your vehicle automatically. Depending on the phone make and model:

- Some phones may request approval to download contacts; this process will take a few minutes
- Contact list may start with First or Last Name, depending on phone models
- Some phones may require additional confirmation on their device to allow contacts to sync

Custom Button

Initial Setup

2019 KONA Electric
Navigation and Display Audio

The Custom Button (☆) is easy to set up and use so that you can enjoy your favorite features with the touch of a button.

To Change the Assigned Feature

2019 KONA Electric
Navigation and Display Audio

- 1 Press and hold down the **CUSTOM BUTTON*** for 2 to 3 seconds.

- 2 Select from the listed options** to set as your shortcut.

For example, select **PHONE.**

*Button location may differ from the image shown.

**Listed options may differ from the image shown.

Making a Call

By Voice Commands Using Bluetooth

2019 KONA Electric
Navigation and Display Audio

BEFORE YOU START

Make sure your phone has been paired and your contacts have been downloaded. If this has not been done, please follow the instructions on the previous pages.

- 1 Press the **PUSH TO TALK** button located on the steering wheel.

You will hear a beep.

- 2 After the beep, say the command "**CALL**" followed by the name of the desired contact.

Example:

"**CALL JOHN SMITH**"

- 3 Select the number you would like to call by saying

"**1**" or "**2**."

Making a Call

By Voice Commands Using Bluetooth

Making a Call

Common Phone Voice Commands

2019 KONA Electric
Navigation and Display Audio

To start voice command, press the **PUSH TO TALK** button located on the steering wheel.

“**HELP**” provides guidance on commands that can be used within the current function.

Here are a few common voice commands to use after your phone has been paired:

Say “**CALL**” to initiate a call followed by saying the name of the saved contact with whom you wish to speak.

For example: “**CALL JOHN SMITH.**”

“**DIAL**” makes a call by dialing the spoken numbers.

For example: “**DIAL 1-800-633-5151.**”

“**PHONE**” provides guidance on phone-related commands.

“**CALL HISTORY**” displays the phone’s call history screen.

“**CONTACTS**” displays the phone’s contacts screen.

NOTE

Compatibility and performance may vary based on your phone, the phone’s software, and your wireless carrier.
