(if equipped)

- Setting Up Android Auto™/  
Apple CarPlay®
- Making a Call

## 13 Navigation

- Finding a Destination Using  
Android Auto/Apple CarPlay
- Common Voice Commands

## 16 Blue Link® (if equipped)

- Key Blue Link Features

## 17 Custom Button

- Initial Setup
- Reassign Feature

# Connecting a Device

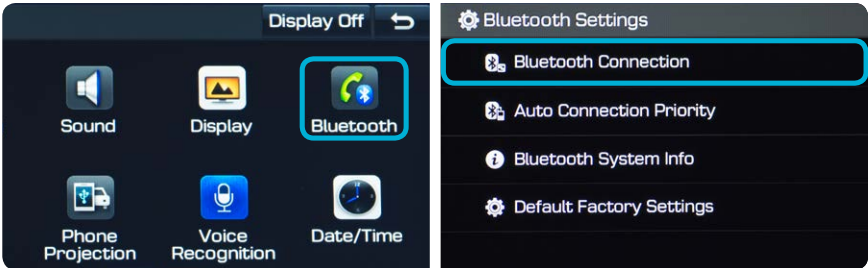

## Phone Pairing

- 1 The vehicle's shifter must be in **PARK**. Press the **SETUP\*** button.

- 2 Press the **BLUETOOTH\*** icon on the screen. Then press **BLUETOOTH CONNECTION**.

- 3 Press **ADD NEW**. Then turn on your phone's **BLUETOOTH** and select the device (Veloster N) found by your phone.

**Note** Bluetooth settings can be found in the SETTINGS app on most phones. Refer to your phone's owner's manual or visit [HyundaiBluetooth.com](http://HyundaiBluetooth.com) for more information.

\*The display, button, and/or icon locations may differ from the images shown.

# Connecting a Device

## Phone Pairing

- 4 Your phone may require a **PASSKEY**. If prompted, enter it into your phone.

- 5 The vehicle will confirm that your phone has been successfully connected.

Image shown may differ from actual product display.

- 6 The vehicle will confirm that your contacts download is complete.

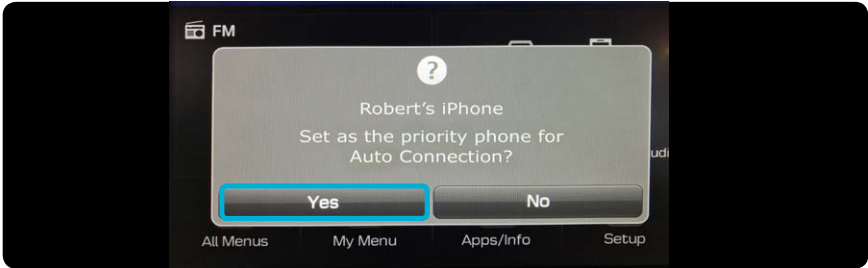

Image shown may differ from actual product display.

# Connecting a Device

## Phone Pairing

- 7 Select **YES** if you would like to set your phone as the priority device for Auto Connection.

**Note** If your phone is supported, your contact list may be transferred to your vehicle automatically. Depending on the phone make and model:

- Some phones may request approval to download contacts; this process will take a few minutes
- Contact list may start with First or Last Name, depending on phone models
- Some phones may require additional confirmation on their device to allow contacts to sync

## Before You Start

Make sure your phone has been paired and your contacts have been downloaded. If this has not been done, please follow the instructions on the previous pages.

- 1 Press the **PUSH TO TALK\*** button located on the steering wheel. You will hear a beep.

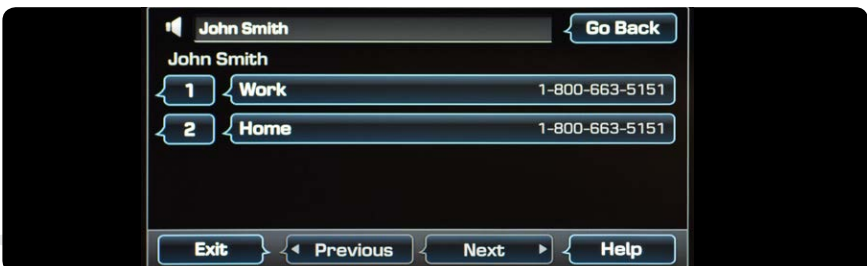

- 2 After the beep, say the command "**CALL**" followed by the name of the desired contact.

Example: "**CALL JOHN SMITH**"

- 3 Select the number you would like to call by saying "**ONE**" or "**TWO**."

**Note** \*The display, button, and/or icon locations may differ from the images shown.

# Making a Call

## Using Voice Commands

4

The selected number will be dialed and your contact's name and phone number will appear on the screen.

5

To end the call, press the **END CALL\*** button located on the steering wheel.

**Note** \*The display, button, and/or icon locations may differ from the images shown.

To start voice command, press the **PUSH TO TALK\*** button located on the steering wheel.

Here are a few common voice commands to use after your phone has been paired:

“**HELP**” provides guidance on commands that can be used within the current function.

Say “**CALL**” to initiate a call followed by saying the name of the saved contact with whom you wish to speak. For example: “**CALL JOHN SMITH.**”

“**DIAL**” makes a call by dialing the spoken numbers. For example: “**DIAL 1-800-633-5151.**”

“**PHONE**” provides guidance on phone-related commands.

“**CALL HISTORY**” displays the phone’s call history screen.

“**CONTACTS**” displays the phone’s contacts screen.

**Note** Compatibility and performance may vary based on your phone, the phone’s software, and your wireless carrier.

\*The display, button, and/or icon locations may differ from the images shown.

Android Auto and Apple CarPlay allow you to access the most commonly used smartphone features, including calling, navigation, text messaging, and playing music all from your driver's seat.

- 1 Connect a USB cable from your phone to the vehicle's USB data port.\*

Android Auto

Apple CarPlay

- 2 Allow permission from your phone to connect to your vehicle.

Android Auto

Apple CarPlay

- 3 Enjoy using the applications displayed on your vehicle's multimedia screen.

Android Auto

Apple CarPlay

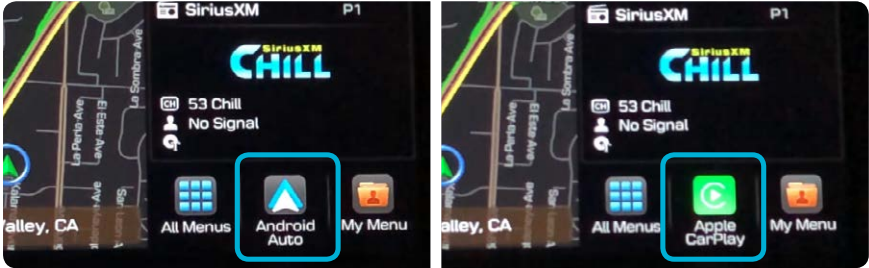

**Note** Android Auto users will be prompted to view a tutorial. Select your option and proceed.

\*USB data port will typically be located in or near the front in-dash console. Check your vehicle's owner's manual for specific location.

Apple CarPlay is a registered trademark of Apple Inc. Android Auto is a trademark of Google Inc.

- 1 Connect a USB cable from your phone to the vehicle's USB data port.\* Notice the icon displayed on your screen.

- 2 Press the **PUSH TO TALK\*\*** button located on the steering wheel and say a command after the beep.

- 3 For Apple CarPlay, you will see these screens:

For Android Auto, you will see these screens:

**Note** \*USB data port will typically be located in or near the front in-dash console. Check your vehicle's owner's manual for specific location.

\*\*The display, button, and/or icon locations may differ from the images shown.

4

To end the call, press the **END CALL**\* button located on the steering wheel.

**Note** \*The display, button, and/or icon locations may differ from the images shown.

# Navigation

Finding a Destination Using Android Auto™/Apple CarPlay®

- 1 Connect a USB cable from your device to the vehicle's USB slot. Notice the following icons displayed on the screen:

- 2 Press the **PUSH TO TALK\*** button located on the steering wheel.

The following prompts will appear:

Android Auto

Apple CarPlay

**Note** \*The display, button, and/or icon locations may differ from the images shown.

# Navigation

Finding a Destination Using Android Auto™/Apple CarPlay®

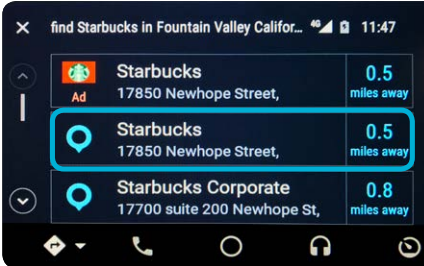

3

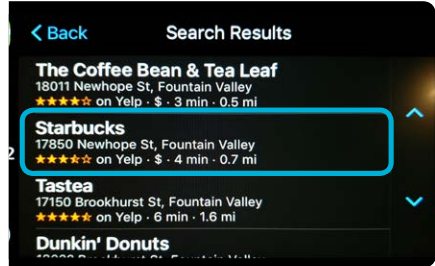

After the beep, say a command.

For example: “**FIND COFFEE SHOP**” or “**FIND STARBUCKS.**”

The search results will be listed.

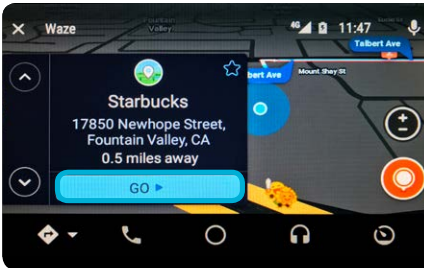

Android Auto

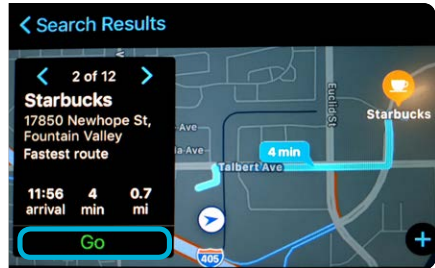

Apple CarPlay

4

Once a destination has been selected, continue to follow the instructions to display map route and begin route guidance.

Android Auto

Apple CarPlay

**Note** The display, button, and/or icon locations may differ from the images shown.

To start voice command, press the **PUSH TO TALK\*** button located on the steering wheel.

Here are a few common voice commands to use after your phone has been paired:

“**HELP**” provides guidance on commands that can be used within the current function.

Say “**FIND <ADDRESS>**” to search for an address and set it as a destination. For example: “**300 (THREE-ZERO-ZERO) MAIN STREET, FOUNTAIN VALLEY.**”

“**FIND <POI>**” searches for the point of interest specified. For example: “**FIND BANKS.**”

“**GO HOME/TO WORK**” sets the destination to your home or work/office. Your home or work address must be set in the navigation system.

“**CANCEL ROUTE**” cancels the route to the set destination and exits guidance.

“**POLICE STATION/HOSPITAL**” displays a list of the nearest police stations and hospitals.

**Note** The system will search for addresses or destinations located within the state the vehicle is currently in. If you want to search in another state, say the name of the state first.

Compatibility and performance may vary based on your phone, the phone's software, and your wireless carrier.

\*The display, button, and/or icon locations may differ from the images shown.

**Do more than drive.** Enjoy an upgraded ownership experience with all the convenient, cool, and connected features from Blue Link®. **Plus, you'll receive these amazing features FREE for three years!\***

## Key Blue Link Features

Enhanced Safety, Security, Car Care & Convenience

### SOS Emergency Assistance<sup>1</sup>

Request emergency assistance 24/7, 365 days a year, by pressing the dedicated SOS button in your vehicle.

### Automatic Collision Notification (ACN)<sup>1</sup>

Your vehicle will automatically contact the Blue Link Emergency Response Center in the event your airbags are deployed.

### Remote Door Lock/Unlock<sup>2</sup>

Lock and unlock your vehicle doors from virtually anywhere via the web or mobile app.

### Stolen Vehicle Recovery<sup>3</sup>

Blue Link can assist the police in locating and recovering a stolen vehicle after a report is filed.

### Service Link

Conveniently schedule an appointment with your preferred dealer from your vehicle without picking up your phone.

Learn more about these great features and other Blue Link benefits at the [Blue Link Educational Video Library](#).

Blue Link subscription is required. To enroll, please visit your dealer or visit [MyHyundai.com](#). All product names, trademarks, logos, and brands are property of their respective owners. All company, product, trademarks, and service names used herein are for illustrative purposes only.

\*Blue Link enrollment includes 3 years of Blue Link Connected Care, Remote, and Guidance (if equipped with factory-installed navigation) packages. Three-year term starts from the new vehicle date of first use, is available for 2018 model year or newer vehicle purchases and leases, and is transferable to subsequent owners, subject to the Terms and Conditions.

<sup>1</sup>Blue Link agents will contact existing emergency service responders. Only use Blue Link and corresponding devices when it is safe to do so.

<sup>2</sup>After Blue Link unlocks the doors, they will remain unlocked for 30 seconds. This auto relock is designed to enhance vehicle security by relocking the doors if the doors are not opened within 30 seconds.

<sup>3</sup>Blue Link agents will contact the appropriate emergency service responders based on law enforcement recommendation. Blue Link agents do not have the authority to activate this feature. Use of this feature can only be requested or instructed by law enforcement groups.

# Custom Button

Initial Setup/Reassign Feature

The Custom Button (☆) can be used to quickly access your favorite feature with just the touch of a button.

## Initial Setup
